‘Green Manufacturing and Management for Electronics Industry’ workshop with Maharashtra Chamber of Commerce, Industries and Agriculture (MCCIA) and Center for Electronics Test Engineering, Pune (CETE) in Pune.

■ India: January 2007

‘Industry Meet on Green Supply & Green Purchasing’ workshop with Confederation of Indian Industry (CII) in New Delhi and Pune.

Also special lecture for postgraduate students at University of Pune.

IGPN Activities

■ China: March 2006

'IGPN Conference in China' in Suzhou with The State Environmental Protection Administration (SEPA) and launch of China GPN announced.

■ China: March 2007

'CGPN International Conference' with EDC of SEPA (China GPN) and Korea Eco-Products Institute (KOEKO) in Peking.

IGPN Activities

Green Consumers Survey in Asia Pacific Region

■ Green Consumer Survey in Asia

Conducted survey in major countries in Asia-Pacific region to obtain and analyse information on consumers' environmental awareness, their buying behaviour, green purchasing initiatives to assist the dissemination of green procurement / purchasing and eco-products in the region.

Exhibited the main findings at the Eco-Products International Fair 2006 (EPIF2006) in Singapore.

IGPN Activities

- **Green Purchasing + Green Public Procurement Starter Kit**

Web-based toolkit, developed jointly with GPN India, includes interactive modules for awareness creation, online training and a step-by-step interactive implementation assistant for green purchasing and public procurement. The toolkit also includes vast amount of electronic information and documents on green purchasing and public procurement.

Main goals for next 5 years

- Support the establishment of GPNs in Asia-Pacific region and all over the world
- Develop global-scale Green Purchasing database
- Disseminate Green Purchasing activities around the world and contribute to the creation of sustainable society.

Activity plans for next 5 years

2007

- Start development of global-scale green purchasing database on green purchasing guidelines and regulations
- Further strengthen relationship with international institutions (e.g. Global Eco-Labeling Network, European Commission)
- Support establishment of Vietnam GPN and Australia GPN
- Hold workshops and seminars in Thailand, India, Malaysia and Vietnam
- Disseminate Green Purchasing Kit, and develop multi-lingual versions
- Participate eco-products exhibitions in Korea, Japan, China and Vietnam

2008 onward

- Expand the global-scale green purchasing database on Green Purchasing guidelines and regulations
- Increase members
- Support establishment of GPNs around the world and call for the enactment of Green Purchasing Law in each country
- Hold seminars and regular international conferences in BRICs countries
- Conduct researches to assist the dissemination of green purchasing
- Develop international commendation system

Thank You for Your Attention.
