Green Council Journey from Green to Sustainability

October 2019

On 25th September 2015, countries adopted a set of goals to end poverty, protect the planet and ensure prosperity for all. Each goal has specific targets to be achieved over the next 15 years.

SUSTAINABLE DEVELOPMENT GOALS

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

Target 12.7: promote Public Procurement Practices that are sustainable in accordance with national policies and priorities

Indicator 12.7.1: Number of countries implementing SPP policies and actions

From Green to Sustainability...

Hong Kong Green Purchasing Charter
(2007)

SUSTAINABLE
PROCUREMENT
CHARTER

Sustainable Procurement Charter
(2018)

What's the Charter about?

Objective

The Charter requires the members to implement sustainable procurement with reference to *ISO 20400:2017 Sustainable Procurement Guidance*.

Role of Green Council

- Building capacity: training, seminar, experience sharing session
- Providing consultation and monitoring performance
- Assessment of achievement milestones
- Reporting progress to the United Nations' 10-Year Framework of Programme www.oneplanetnetwork.org as an initiative to support its Sustainable Development Goal 12

Corporate Members

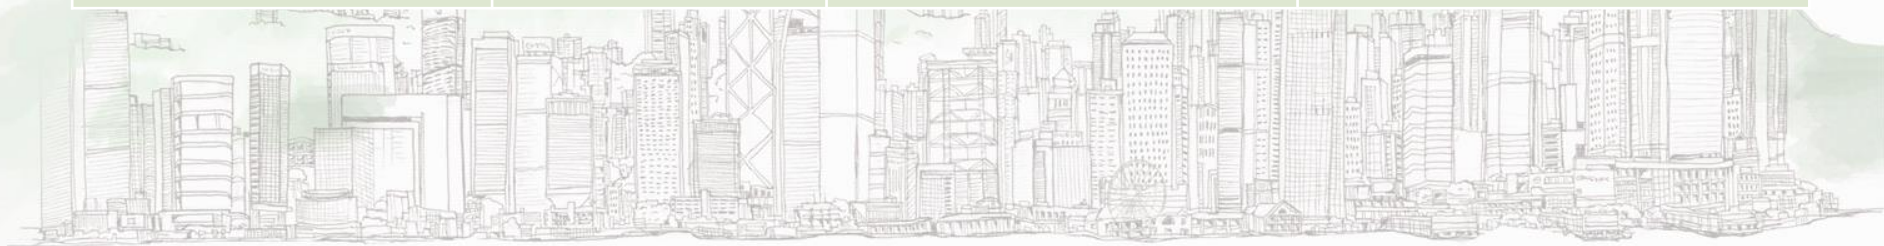

Continual Improvement

All members are required to set their own objectives for continual improvement in every year. Green Council will monitor their results.

(a standard template provided)

Policy	Strategy	Objective	Goals
Committed to reduce consumption of natural resources.	To buy goods with recycled contents.	All copying paper is sourced with at least 70% recycled contents.	In 2018, 50% of copying paper will be sourced with 70% recycled contents.

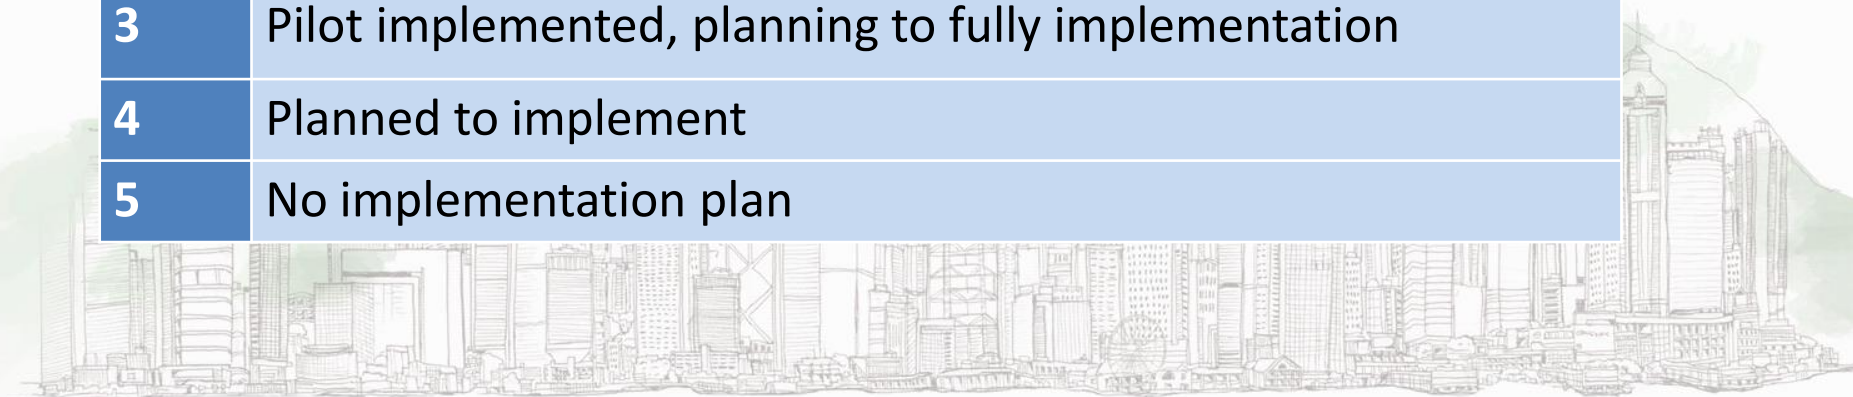

Benchmarking Survey

To help member to understand their current practices in sustainable procurement and to identify the areas for improvement.

Survey reply in 5 scales on 45 questions:

1	Always practicing and has written guidelines
2	Always practicing but no written guidelines
3	Pilot implemented, planning to fully implementation
4	Planned to implement
5	No implementation plan

Capacity Building

Seminars on Sustainable Procurement

Way Forward

- **Supplier Award 2019**

To organize supplier recognition ceremonial program in 2020 for members to award their outstanding suppliers (including sustainable performance)

- **10 Quick Wins on Sustainable Procurement in 2020**

Procurement policy with economic, environmental, social considerations	Stop purchase of one-off plastic bottle water
Copying paper with recycled contents or FSC-certified or equivalent	Installation of flow controllers on water taps on own premises
T5 fluorescent lamp or LED lamp	Souvenirs, trophies and flags from social enterprises
Refillable stationery items & refills	Catering services for special occasions from social enterprises
Recycled toners for printers	Name card printed with recycled paper
